Sir:

This is responsive to the Office Action mailed November 22, 2005, having a shortened period for response set to expire on December 22, 2005, the following remarks are provided.

**Provisional Election of Claims Pursuant to 37 CFR §1.142**

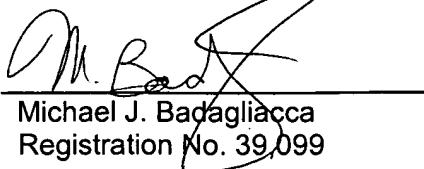

Applicants previously elected Group I as described in the Office Action of July 18, 2005. Applicants now further elect species 1 (claims 1-2) of Group I. Applicants respectfully traverse the requirement because Species 2-3 and 6 use similar techniques using one wire/resistance heat emitting body pattern.

Should any questions remain unresolved, the Examiner is requested to telephone Applicants' attorney.

Respectfully submitted,
